MEET YOUR METRA TRAINERS

John Harris • Pollution Control Team Leader • Orange County EPD

John has 20 years of experience in the environmental field, having spent more than half his career at FDEP as a hazardous waste inspector, compliance and enforcement case manager, supervisor, criminal/civil case coordinator and permit application reviewer. He currently works at Orange County EPD where he trains and leads a pollution control staff.

John White • Environmental Consultant • FDEP, Central District

John has almost 30 years of experience working for FDEP, Central District. He provides training for staff and conducts inspections to determine compliance with state and federal hazardous waste and used oil regulations

Judith-Ann Jarrette • Assistant Director of Airport Operations • GOAA

Judith Anne has been with the Greater Orlando Aviation Authority since 2015, and was formerly an air traffic control officer in the Royal Canadian Air Force. After retiring from the military, Judith-Ann worked as an ATC consultant, and later as an environment consultant for the Orlando International and Executive airports.

Beth Burkard • On-Call Engineer • Orange County EPD

Beth's career began in Illinois where she specialized in industrial wastewater discharge permits and groundwater remediation. Since relocating to Florida, Beth's work has concentrated on permitting for Orange County's Air Quality Management Program.

Frank McInturff • Principal • EnSafe

Frank's qualifications include a broad knowledge of environmental compliance and remediation; safety risk management; and technology integrations. Frank provides strategic leadership in leveraging technology for the delivery of EnSafe traditional environmental and safety services.

Jennifer Roberts • Environmental Compliance Administrator • DR Horton

Jennifer has over 11 years of compliance experience, both in regulatory roles and in private industry. She has been with DR Horton, the largest homebuilder in America, for four years as an Environmental Compliance Administrator for the Central Florida area. Currently, she oversees compliance for over 70 construction projects.

Kellie Tomeo • Risk Manager • MSE Group

Kellie has over 20 years of experience in legal and corporate risk management. As Risk Manager for MSE Group, she oversees all contracts, insurance issues, joint ventures and compliance matters pertaining to their government and private clients. Her experience as a former prosecutor allows her to bring a unique perspective to corporate areas of risk and crisis preparation.

Glenn Victor • Director of Occupational Safety • Florida Safety Council

Glenn is a certified traffic safety instructor and instructor-trainer for the Council, and is also a Certified Occupational Safety Specialist (COSS). Considered the in-house expert on all things OSHA, Glenn also directs and manages the day-to-day operations of the Council's Occupational Safety Institute.

Jane Gregory • University of Florida TREEO Center

Jane Gregory has almost thirty years of experience working in the environmental field and is a Certified Hazardous Materials Manager, a Certified Environmental Trainer and a LEED Green Associate. Currently serving as METRA's Chair, her full time job is working for the UF TREEO Center as a distance learning course developer.

Many thanks to our hardworking board, committee members and the volunteers who make this day possible: Jane Gregory, TREEO; Amy Guilfoyle, PPM Consultants, Inc.; Viviana Useche, FDEP Central District; Danielle Mohan, Reedy Creek Improvement District; Michael Alexander, City of Orlando; Debra Boothe, Brevard County; Christine Daniel, FDEP Central District; Scott Evanson, E-Sciences; Brett Robinson, Stericycle; Jimmy Stewart, Universal Orlando; Richard Stephens & Denise Cochran, OCEPD; Katelyn Stroud, City of Orlando; Jose Garrido & Clark Quackenbush (Walt Disney); Rain Yates, Kaelyn Malone, Megan Warr, & Helena Ochoa, FDEP Central District; Vanessa Cruz, Mike Colon, Lori Cunniff and Miranda Rothenberger.

Thank you to all of our wonderful sponsors who help us keep E2 Day affordable. Please support them by visiting their booths in the vendor hall today and see which products and services might help you.
